Re: Milford Area/Escalante Valley Distribution System
Account No. 33-8

To Whom This May Concern:

Agri-Empire has informed our office you are now the owner of the water rights associated with the water assessment Account No. 33-8 of the Milford Area/Escalante Valley Distribution System. Agri-Empire was the previous owner. We are, therefore, sending the assessment notice to you. In order that the water rights be transferred to your name, it is necessary to send copies of the Warranty Deed to Judy Ausick. Her phone number, should you need to call her, is (801) 538-7387.

The distribution system is regulated by the State Engineer under authority of Section 73-5-1, Utah Code Annotated, 1953, as amended to insure orderly distribution of water based on water rights. A budget is set and assessments are made each year to meet the expenses of the distribution system including the commissioner's salary. The budget and assessments are set by the water users at the annual distribution meeting with the State Engineer. If assessments are not paid by June 1st, a delinquent penalty of 10% is added.

If you have any questions, please call me at (801) 538-7431.

Sincerely,

John S. Larsen
Water Rights Specialist
